71. People can't be perfectly in every way. How we can do is to change ourselves to become a better person. Recently I felt rather worrying because I didn't well in my monthly exam. I had been prepared well for it and worked hard for the long time. But my efforts didn't bring any results. I told my mom all my feelings, and I couldn't help crying. She sat next to us but said nothing until I stop crying. She wiped away the tear on my face and gave me a warm hug. I'll never forget what she said "trust me, you are good". She gave me lots of energy, but I realized that sometimes the process is more important than the result.
