71 (10分) Yesterday was Mr. Smith, our foreign teacher's birthday and we hold a birthday party for him in our classroom. All the students of our class took part in. We prepared some small gift for him, most of them were hand-made. We also bought birthday cake for him. While he entered our classroom, we started to sing Happy Birthday to You, which excited and deep moved him. Then we performed some shows. He said it was the most meaningful birthday he has ever had.

He is far away from his family so we agreed to spend more of our spare time with her, which should make him feeling less homesick.
